

CHAPTER IV

FINDINGS AND DISCUSSION

This chapter presented the findings and discussion of the study based on the formulated of research questions. The data were analyzed based on the data classification that was related to moral values that were found and the importance of moral values that can be learned from this movie. The descriptions are written in the following

A. FINDINGS

1. Moral Values in “The Frozen” Movie

According to Linda and Eyre (1993) as cited in Ibnu Sina (2014), moral values can be divided into two groups as follows:

- The value of being is a value within the human being involved in the behavior and the way we treat others, which include values of being are honesty, bravery, peace, love, confidence, protection, discipline, sincerity, knowing boundaries, and suitability.
- The value of giving is a value that needs to be practiced or provided which would then be accepted as giving, which include values of being are: loyalty, trustworthy, respect, love and affection, unselfishness and sensitivity, kindness and friendliness, justice and mercy, and humanity.

The researcher classified moral values found in the frozen movie based on Linda and Eyre (1993) as cited in Setiawan’s theory (2014). The moral values that are found consist of honesty, bravery, peace ability (peacefulness), loyalty,

responsibility, respectfulness, love and affection, unselfishness, kind and friendly, self-confidence, self-control, confidence, and humanity. While the moral values that found based on Harun as cited in his book of moral values consist of being careful (carefulness), good consideration, sorry and apologizing, patience, hard-working, helping other, cheerfulness, share and cooperation. The moral value of this movie as follows:

a. Dishonesty

Honesty towards other, institutions, society and ourselves. Strength and confidence that comes from deep because there was nothing to hide (Linda and Eyre, 1997:03). The opposite of honesty is dishonesty. Dishonesty is a very broad concept and there are many variations. Dishonesty can also be done without realizing it. There are dialogues in Frozen movie about dishonesty, can be seen in the table 4.1 below.

I knew I'd have to marry into the throne somewhere—(Dish 1)</i> • <i>As heir, Elsa was preferable, of course. But no one was getting anywhere with her. But you- (Dish 2)</i> • <i>You were so desperate for love you were willing to marry me, just like that. I figured, after we married, I'd have to stage a little accident for Elsa. Table 4. 1 Frozen movie's script about honesty

Scene one, Hans betrayed Arendelle. He didn't love Anna as can be seen at Dish 1 in Table 4.1. But, He stated that he wanted to married with Anna because there was something he wanted. In the duration 01:15:28 - 01:17:11.

Hans : Oh, Anna. If only there was someone out there
: who loved you
Anna : What? You said you did.
Hans : **As thirteenth in line in my own kingdom, I didn't stand a chance. I knew I'd have to marry into the throne somewhere.**
Anna : What are you talking about?
Hans : **As heir, Elsa was preferable, of course. But no one was getting anywhere with her. But you-**
Anna : Hans?
Hans : **You were so desperate for love you were willing to marry me, just like that. I figured, after we married, I'd have to stage a little accident for Elsa.**

 Hans : **Your sister? She returned from the mountain**
 : **weak**
 Elsa : What? No
 Hans : **I tried to save her, but it was too late. Her**
 : **skin was ice. Her hair turned white.**

Hans was dishonest people. He got the consequence because of his deed. He was beaten by Anna to fall into the lake and put into the jail.

This scene showed the moral value of dishonestly acted by Hans. Hans was dishonest people. He just wanted to seize Arendelle and become a king. He lied to people and says that Anna had died. He accused Elsa who had killed Anna so people convinced that Elsa was very dangerous and should be killed.

b. Bravery

Bravery is doing something that is difficult but correct and it is the best choice for a long-term period. There are dialogues in Frozen movie that indicated bravery. It can be seen in the table 4.2 below.

Anna : And I understand if you don't want to help me anymore.
 Kristoff : Of course. I don't want to help her anymore. In fact, this whole thing has ruined me for helping anyone ever again
 Kristoff (as Sven) : **But she'll die on her own.**
 Kristoff : **I can live with that.**

In the dialogue above, Sven convinces Kristoff to keep helping Anna even though something bad has happened to them. But finally Kristoff's heart melts and helps Anna to find Elsa. So, in this situation you know whou your friend is. The have loyalty or that have not.

e. Responsibility

The dialogues about responsibility in this movie can be seen in the table 4.5 below.

The Scripts	Moral Value	Duration
Anna : • <i>Elsa! Elsa! It's me, Anna... your sister who didn't mean to make you freeze the summer. I'm sorry. It's all my fault. (Dish 1)</i>	Responsibility	(00:34:48 - 00:57:46)
Elsa : • <i>Oh, Olaf. Hang on, little guy. (Dish 2)</i>		(01:28:04 - 01:28:47)

Table 4.5 Frozen movie's script about responsibility

Anna : I knew you could do it.
 : Hands down, this is the best day of my life... and
 Olaf : quite possibly the last
 Elsa : Oh, Olaf. Hang on, little guy

In the situation above, its explained that Elsa returns to the kingdom and changes everything back to normal. Because, she can control her abilities.

f. Respectfulness

There are dialogues about respectfulness in this movie. It can be seen in the table 4.6.

The Scripts	Moral Value	Duration
Elsa : <ul style="list-style-type: none"> • <i>Thank you... only I don't dance. (Dish 1)</i> • <i>But my sister does. (Dish 2)</i> • <i>Fine. You can't marry a man you just met. (Dish 3)</i> • <i>You asked for my blessing, but my answer is no. Now, excuse me. (Dish 4)</i> • <i>No. Please. (Dish 5)</i> • <i>Stay away! (Dish 6)</i> 	Respectfulness	(00:21:30 - 00:22:15)
Anna : <ul style="list-style-type: none"> • <i>Oh, I don't think. (Dish 7)</i> • <i>You can if it's true love. (Dish 8)</i> • <i>More than you. All you know is how to shut people out. (Dish 9)</i> • <i>What? Elsa, no. No, wait! (Dish 10)</i> 		(00:21:30 - 00:22:15) (00:26:25 - 00:27:26)
Kristoff : <ul style="list-style-type: none"> • <i>Yes! Now, back up while I deal with this crook here. (Dish 11)</i> 		(00:38:04 - 00:38:15)

Table 4.6 Frozen movie's script about respectfulness

Anna wanted to dance with the Duke of Weselton even though she couldn't dance. She respected her sister and Duke's invitation as can be seen at Dish 1 in Table 4.6. In duration 00:21:30 - 00:22:15.

Duke : **Weselton. The Duke of Weselton. Your Majesty, as your closest partner in trade, it seems only fitting that I offer you your first dance as queen. One, two, three. Jump.**

Anna : Thank you...only I don't dance

Duke : Oh...?

Elsa : But my sister does.

Anna : What?

Duke : Lucky you

Anna : Oh, I don't think

From the dialogue above, although Elsa was unable to dance, she refused the Duke's offer with respect and asked Anna to accompany the Duke to dance. Although Anna also couldn't dance, Anna attended the invitation as well as her sister. And finally they danced.

 Elsa **no. Now, excuse me.**
 Elsa : The party is over. Close the gates.
 Anna : What? Elsa, no. No, wait!
 Elsa : Give me my glove!
 : Elsa, please. Please. I can't live like this
 Anna anymore.
 Elsa : Then leave.

Anna ought not rashly to marry the new people he knew and did not say things that make other people hurt. In other way, Kristoff made Oaken angry. He said that Oaken is a crook. It made Oaken hurt. (00:38:04 - 00:38:15)

Anna : Okay, just tell me one thing; what was happening on the North Mountain? Did it seem magical?

Kristoff pulls down his scarf and gives Anna a firm answer as can be

seen at Dish 11 in Table 4.6.

Kristoff : **Yes! Now, back up while I deal with this crook here.**

Oaken : What did you call me?

Kristoff ought not to say people in vain not to hurt other people. People attacked Elsa. They accuse Elsa is monster. It made Elsa angrier and returned to attack them. (01:11:17 - 01:12:12).

From this situation, Anna always respects her sister, Elsa in all the conditions.

g. Love and Affection

We can show our love and affection by sacrificing ourselves to the people we care about. The dialogues in Frozen movie indicated love and affection. It can be seen in the table 4.7.

The Scripts	Moral Value	Duration
Elsa : • <i>MAMA! PAPA! (Dish 1)</i>	Love and Affection	(00:05:31 - 00:06:20)

<ul style="list-style-type: none"> • <i>It was an accident. I'm sorry, Anna. (Dish 2)</i> • <i>Go away, Anna. (Dish 3)</i> • <i>Don't feel it. (Dish 4)</i> • <i>I'm scared. It's getting stronger. (Dish 9)</i> • <i>No, it's okay. You don't have to apologize.... But you should probably go, please. (Dish 10)</i> • <i>Oh, Anna...no...no, please no. (Dish 11)</i> • <i>You sacrificed yourself for me? (Dish 12)</i> 		<p>(00:08:52 - 00:09:05) (00:09:03 - 00:09:09) (00:09:38 - 00:09:48)</p> <p>(00:55:37 - 00:56:42)</p> <p>(00:55:55 - 00:57:46)</p> <p>(00:56:34 - 00:57:46)</p> <p>(01:26:11 - 01:29:06)</p>

(Dish 14)</i> • <i>No. We'll protect her. She can learn to control it. I'm sure. Until then, we'll lock the gates. We'll reduce the staff. We will limit her contact with people and keep her powers hidden from everyone, including Anna. (Dish 15)</i> • <i>The gloves will help. (Dish 16)</i> • <i>See? You're good. Conceal it. (Dish 17)</i> • <i>Getting upset only makes it worse. (Dish 18)</i> 		<p>(00:05:31 - 00:06:20)</p> <p>(00:05:39 - 00:06:20)</p> <p>(00:07:55 - 00:08:10)</p> <p>(00:09:03 - 00:09:09)</p> <p>(00:09:38 - 00:09:48)</p>

<p><i>pushed her. So I'm the one that needs to go after her. (Dish 22)</i></p> <ul style="list-style-type: none"> • <i>Bring me my horse, please. (Dish 23)</i> • <i>Elsa's not dangerous. I'll bring her back, and I'll make this right. (Dish 24)</i> • <i>She's just like the one we built as kids. We were so close. We can be like that again. (Dish 25)</i> • <i>You don't have to protect me. I'm not afraid. Please don't shut me out again. (Dish 26)</i> • <i>Elsa, wait. (Dish 27)</i> • <i>You don't have to protect me. I'm not afraid. Please don't shut me out again. (Dish 28)</i> • <i>But I just got here. (Dish 29)</i> • <i>It's okay, you can just unfreeze it. (Dish 30)</i> • <i>Sure you can. I know you can. Table 4.7 Frozen movie's script about love and affection

Elsa cried and called the King and Queen as can be seen at Dish 1 in Table 4.7. She was worried about Anna's safety who were injured by her power. (00:05:31 - 00:06:20)

Young Elsa : MAMA! PAPA!
 King : **Elsa, what have you done? This is getting out of hand!**
 Queen : Anna!
 Young Elsa : **It was an accident. I'm sorry, Anna**
 Queen : She's ice cold.

All happened by accident. Elsa is very worried if something happens to Anna as can be seen at Dish 2 in Table 4.7. King and Queen came and immediately went to the trolls to cure Anna as can be seen at Dish 14 in Table 4.7. (00:05:39 - 00:06:20).

King : **I know where we have to go. Please, help. My daughter!**

Then, King has an idea so that Anna will get well soon. The King and Queen shut all the gates and Elsa hide from others, including Anna as can be seen at Dish 15 in Table 4.7. They also conceal Elsa's power of others. It was done to protect Anna from Elsa's power and in order that Elsa can learn to control her power. (00:07:55 - 00:08:10).

King : **No. We'll protect her. She can learn to control it. I'm sure. Until then, we'll lock the gates. We'll reduce the staff. We will limit her contact with people and keep her powers hidden from everyone. include Anna.**

The castle shutters close. Anna sits on her bed as Elsa's furniture disappears. Anna rushes to the hall to see Elsa shut the door to her new room. Anna watches, confused and sad. Screenplay page 8.

Anna invited Elsa out of room to play with her as can be seen at Dish 20 in Table 4.7 (00:08:21 - 00:08:50). Anna knocks on Elsa's door and sings. "**Do You Want to Build a Snowman?**". Screenplay page 8. While singing, Anna really hopes that Elsa will open her bedroom door and play with her in the snow. Elsa didn't come out of the room as can be seen at Dish 3 in Table 4.7. She was afraid her power can hurt Anna again. (00:08:52 - 00:09:05).

Young Elsa : **Go away, Anna**

Elsa refused Anna's invitation not because she didn't want to play with her. Elsa was traumatized because she was afraid that something would happen again. Elsa didn't want to hurt Anna, because Elsa was very fond of Anna. Then, King soothed Elsa and gave the gloves to her as can be seen at Dish 16 in Table 4.7. (00:09:03 - 00:09:09).

King : **The gloves will help.**
 King : **See? You're good. Conceal it.**
 Young Elsa : Don't feel it.
 Young Elsa & King : Don't let it show.

The king also loved Elsa very much as can be seen at Dish 18 in Table 4.7. Therefore, the king gave the gloves so that Elsa could return to play with Anna. Even though Elsa received the gloves, but the fear of Elsa was still very big. King and Queen soothed Elsa who was afraid because her power is stronger. (00:09:38 - 00:09:48).

Elsa : I'm scared. It's getting stronger.
 King : **Getting upset only makes it worse.**
 Elsa : No. Don't touch me. I don't want to hurt you.

Anna was very sad when his parents died in a sea voyage. She was

very sad because of losing her parents. (00:10:30 - 00:11:20). Anna looks small, standing before her people, beside burial stones. Screenplay page 11. Anna and Elsa turned to each other.

They were very sad because of losing her parents. (00:11:21 - 00:11:25). Anna, still in her mourning clothes, approaches and knocks. Anna slides down the door and sits with her head against it. Elsa is sitting in the exact same pose as Anna. Her bedroom is frozen with ice. Snowflakes hang in the air, suspended by grief. Screenplay page 11.

Anna never afraid of Elsa as can be seen at Dish 24 in Table 4.7. She believed Elsa would not hurt her . She wanted to meet Elsa and bring her back to Arendelle, because she loved Elsa very much. (00:30:20 - 00:30:55)

Anna : **It was an accident. She was scared. She didn't mean it. She didn't mean any of this... Tonight was my fault. I pushed her. So I'm the one that needs to go after her.**

Duke : Yes. Fine. Do.

Hans : What?

Anna : Bring me my horse, please.

Hans : Anna, no. It's too dangerous.

Anna : **Elsa's not dangerous. I'll bring her back, and I'll make this right.**

From the dialogue above, Anna assured Duke and Hans that what Elsa did to her was not on purpose. Then Anna left the Kingdom and went after Elsa. Anna doesn't want to lose Elsa because Elsa is the only sibling that Anna has. Anna doesn't want to live alone. He wants to live with Elsa in Arendelle.

Anna missed longed moments along with Elsa as can be seen at

Dish 25 in Table 4.7. (00:55:17 - 00:55:37).

Anna : **She's just like the one we built as kids. We were so close.**

We can be like that again.

Anna is had ignoring the events that will happen later. All that was on Anna's mind was that she just wanted to return to Arendelle together with Elsa.

Anna wanted to be with Elsa. She wanted to go back to Arendelle with Elsa. She sang the song "For The First Time in Forever". (00:55:55 - 00:57:46).

Elsa : Goodbye, Anna.

Anna : Elsa, wait.

Elsa : **I'm just trying to protect you.**

Anna : You don't have to protect me. I'm not afraid. Please don't shut me out again.

Elsa asked Anna to stay away in order to secure her as can be seen at Dish 10 in Table 4.7. (00:56:34 - 00:57:46).

Anna : I'm so sorry about what happened. If I'd known.

Elsa : No, it's okay. You don't have to apologize.... But you should probably go, please.

Anna : But I just got here.

Elsa : You belong in Arendelle.

Anna : So do you.

Anna still wants to invite Elsa back to Arendelle. But Elsa is still afraid that bad things will happen. Because Elsa still feels that she can't control her abilities.

Anna convinced Elsa that they both can stop this winter and bring back the summer as can be seen at Dish 32 in Table 4.7. (00:58:03 - 00:58:17).

Anna : It's okay, you can just unfreeze it.
 Elsa : No, I can't. I don't know how.
 Anna : Sure you can. I know you can.
 Anna : We can work this out together.

Anna saw Hans wanted to kill Elsa. She immediately came to them even though her body was very cold. She didn't want to see Hans kill Elsa. She sacrificed herself to save Elsa. In that instant, Anna freezes to solid ice. Elsa hugged Anna that has been frozen. Elsa's hugs can melt Anna. That instantly, Arendelle back to normal. Elsa could bring back the summer. Finally Anna found her true love. She was her beloved sister, Elsa. (01:26:11 - 01:29:06).

Anna : Elsa.

B. DISCUSSION

In this part, the researcher discussed about the data that have been found in the movie. The data were about the moral values found in frozen movie and the importance of moral values which can be learned from this movie.

The result of this study that the researcher found there are 21 moral values that shown in frozen movie. There are twelve moral values by Linda and Eyre (1993 as cited in Setiawan 2014). They were dishonesty, bravery, peacefulness, loyalty, responsibility, respectfulness, love and affection, not selfish, kind and friendly, self control, confidence, and humanity. The researcher

also found nine moral values that shown in this movie, such as carefulness, good consideration, sorry and apologizing, patience, hard working, helping other, cheerfulness, share, and cooperation (Harun as cited in his book of moral values, 1999). The researcher found judging moral values in the movie. It means that express a bad opinion of someone's behavior because think that you are better than them (Taylor and Halstead as cited in Setiawan 2014). Beside it, there is another argument about judging and it can be as hatred (Fajar, 2017). There are 21 moral values that shown in frozen movie:

1. Dishonesty

Honesty towards other, institutions, society and ourselves. Strength and confidence that comes from deep because there was nothing to hide (Linda and Eyre, 1997:03). The opposite of honesty is dishonesty. Dishonesty is a very broad concept and there are many variations. Dishonesty can also be done without realizing it. Dishonesty is to act without honesty. It is used to describe a lack of probity, cheating, lying, or deliberately withholding information, or being deliberately deceptive or a lack in integrity, knavishness, perfidiousity, corruption or treacherousness. Where dishonesty is an issue in civil cases, the trend in English Law is for only the actions to be tested objectively and not to apply any test as to the subjective.

Based on the data above, dishonesty is telling about the truth and everyone likes it. So dishonesty is not important in life because dishonesty can make the relationship not enjoyable. Because in relationship must has

a foundation for enjoyable the relationship in any context. Being honest does not just mean telling the truth about factual of information, but also about feeling. Being honest also can improve the relationship and save us from live lie. So, each person must be honest if he wants a good life because honesty is the key for others to believe in ourselves.

According to Cahyani (2016) stated that people should be brave to choose about everything that they want in this life as long as it is true based on their opinion. Bravery is important in life because we need bravery to face our fears and overcome the obstacles in our life. Bravery is doing something that is difficult but correct and is the best choice for long time. It can conclude that bravery in the movie is important and good for people to learn how to be brave on their life.

3. Peacefulness

The scene showed the moral value of peacefulness. They also define peace of ability as calmness, peacefulness, and serenity (Linda and Eyre, 1993). In a society peaceful is expected to make the harmony. All people love and respect each other to get the harmony of mankind.

A person is said to be responsible for something when he or she accepts the consequences of something. Hard work shapes us to be someone who is more disciplined, diligent, and never gives up. We always focus on the end goal by using the maximum time and effort. In the journey, you will encounter many challenges and obstacles. There are only two choices: give up easily or continue even when the path is difficult. The researcher compared this research with other research that related each other. The researcher used a research from Syarif Anshari (UIN Antasari Banjarmasin, 2015) entitled “The Analysis of the Moral Values in the First Series of Narnia Movie *The Lion, The Witch and The Wardrobe*” as the comparison in this research because the research problem’s in this research almost same. The research problem’s in his research is (1) what are the moral values found in *The Lion, The Witch and The Wardrobe* movie? (2) how the moral values in *The Lion, The Witch and The Wardrobe* applied for moral education? While in this research, there are two research problems, such as (1) what are the moral values reflected in “*Frozen*” movie? (2) why the moral values from this movie are important to learn?

The following research is from Ibnu Sina Irvany Setiawan (STAIN Salatiga, 2014) entitled “*An Analysis of Moral Values as seen in “Rise of The Guardians” Movie*”, he also used Linda and Eyre’s theory on his research, but he used another movie as his object. He analyzed the moral values in “Rise of The Guardians” movie and reveal the socio cultural background used in the movie. Almost same with this study, but this study analyzed the moral values that reflected and the important of moral values that can be learned in *Frozen*

movie. In this research, the researcher also uses Oxford dictionary to analyze the moral values that are reflected in Frozen Movie.
